

# **Memorandum of Understanding**

*between*

**World Council on Isotopes**

*and*

**Korea Atomic Energy Research Institute**

The World Council on Isotopes and the Korea Atomic Energy Research Institute (hereinafter referred to as “the Parties”);

Recognizing the mutual interest in promoting cooperation in the fields of research, development, education, training and dissemination of information on radiation and radioisotope applications;

Desiring to strengthen and further develop international cooperation and collaboration in radiation and radioisotope applications; and

Believing that such cooperation would serve their common interest and contribute to the promotion of the peaceful applications of radiation and radioisotopes;

Have reached the following understandings:

## ***ARTICLE I: PURPOSE***

The general purpose of this Memorandum of Understanding (MOU) is to facilitate cooperation between the Parties on the basis of equality and mutual benefits.

## ***ARTICLE II: AREAS OF COOPERATION***

Cooperation under this MOU may be undertaken in promoting the peaceful applications of radiation and radioisotopes.

## ***ARTICLE III: FORMS OF COOPERATION***

- 3.1 Organization of short, specialized academic and training programs on topics of mutual interest
- 3.2 Organization of seminars and other meetings on topics of mutual interest and exchange of participants in such events

- 3.3 Exchange of academic materials, publications and other information
- 3.4 Provision of mutual assistance in the fields of radiation and radioisotopes
- 3.5 Any other activities as mutually agreed by the Parties

**ARTICLE IV: GENERAL PROVISIONS**

- 4.1 The activities of this MOU shall be carried out in accordance with the laws of the relevant country and the statute of each Party.
- 4.2 The substance, scope and implementation of co-operative activities within the terms of this MOU may be the subject of more specific arrangements to be concluded in the future between the Parties. The Parties may consider the development of an implementing arrangement in the field of research and education to replace this MOU in the future.
- 4.3 The cost of implementing co-operative activities under this MOU shall be funded on terms to be mutually determined and shall be subject to the availability of funds.
- 4.4 Either party may terminate this MOU upon six-month advance written notification.
